Perth on the rise

Singled out by *TIME*, *BBC Travel* and *New York Times* in their respective best places to travel in 2025 lists, Perth/Boorloo is sizzling – and not just with sunshine. The WA capital will soon welcome a host of new hotels, including Australia's first Hyde Hotel, Garde Hotel in the UNESCO-listed Fremantle Prison Heritage Precinct and The Elizabeth Hotel and Residences, which will seriously up the luxury stakes at Elizabeth Quay.

There's also a new yoga experience at Perth Zoo, a kooky beachside cafe called Magic Apple (pictured) doing bentonite clay and sea buckthorn-packed smoothies, and the first Light Years Asian Bar & Diner to open on the West Coast.
